## The Council of Presidents of Seventy

November 17, 2009

Members of the Fifth Quorum

The Council of Presidents of Seventy join with you in support of our Sister Gina as she addresses the medical issues impacting the quality of her life and ministry at this time. We are very hopeful that with appropriate diagnosis, treatment and care she will fully recover. Our prayers and expressions of support are very important to this healing process.

In order for Gina to devote full time to the health challenges before her, the remaining members of the Council will assume the role of presiding over the quorum until further notice. You are encouraged to communicate any concerns or questions to the Council, attention to Bob Kyser, Senior President. In addition, your quorum officers will continue to serve in their present capacities. We are very appreciative of their willingness to perhaps assume additional responsibilities as appropriate.

May the Holy Spirit continue to sustain you in your witness of the Christ. Especially at this time of year, may you and your family receive the blessings of renewal and peace as you serve our Lord and Savior.

FOR THE COUNCIL OF PRESIDENTS OF SEVENTY
